Report of Mentor Mentee Programme

Department of Zoology

Mugberia Gangadhar Mahavidyalaya

Session: 2021-2022

Mentor- Mentee Cell (Formerly known as Tutor-Ward Club) is founded by Mugberia Gangadhar Mahavidyalaya, Bhupatinagar, Department of Zoology with a vision to extend support and guidance to the students studying in the college for the betterment of their academic and professional career and thereby contribute towards nation building. It is a very effective system that is aimed to narrow down the gap between the mentee and the mentor and thereby the society in general. The students may come across difficulties during the degree programme and have to face academic and adjustment challenges. To cope up with such problems and to enable them to excel in academics and profession as per their potential, a Mentor- Mentee programme for the students of the institution has been developed.

We are providing counseling to the students through personal attention and regular dialogues during their stay on campus, on telephone and by paying personal visits to the houses of the mentees all allotted to the teacher concerned as the Mentor. We have been providing them tips on studies, personal counseling, guidance regarding career choices, to get success in the university examinations. We have also been supporting the mentees in the form of precise content on courses, fees, reviews, college admission process and scholarships etc. The scheme has become very successful in bridging the gap between the teacher and the student. It has become instrumental in blending the harmonious relationship between the learner and his/her family and the institution at large. It has definitely created an atmosphere of conviction and faith about the alma mater.
