

REPORT ON COMMUNITY WORK

SAFE DRIVE SAVE LIFE

Organized by the Department of Commerce

The community work on “Safe Drive and Save Life” campaign was conducted by the Department of Commerce, Mugberia Gangadhar Mahavidyalaya on 24th January, 2024 at 11 a.m on Lalat-Janka Road. This road passes through an extreme densely populated and busy area touching almost three Government and Non-Government colleges (including our own College), Twelve primary, secondary and higher secondary schools (Both Govt. and Non-Govt.), Rural Block Medical Hospital, Twelve nationalized Co-operative Banks, two Block Development Offices, BLRO sub-registry office and many other important institutions and offices. The road also passes through eight big markets. Thus, accident on this road is a common incidence. A campaign for safe drive to save the life of the people was taken by the Department of Commerce with its 50 students on the different point of the road by dividing them in few groups with the help of departmental teachers. Mainly they took part making awareness among the drivers of two wheelers without helmet, drivers of busses, trucks, trackers and auto-rickshaw against reckless and rush driving. Drivers were advised to maintain the speed limit and not to blow horn (unless extremely necessary) near the hospital, school and colleges¹.
