A Brief Report on Participation of our Institution (MGM) with Mega Tinkering Activity in association with ATL of Bahadurpur Deshpran SikhaNiketan in ATL Tinkering Day Event on 14th November 2022

Date and Time of the event - 14th November 2022 - 11:30 AM to 12:00 NOON

Atal Innovation Mission (AIM) has recently achieved the milestone of establishing 10,000 Atal Tinkering Labs across the country. To celebrate this occasion, AIM is organising a Mega Tinkering Activity across all 10,000 Atal Tinkering Labs on 14th November (Children's Day). During this event, all ATLs across India will build a small DIY Project together for 30 minutes.

It was proposed from MHRD that Mentor Institutions should visit schools to support the tinkering activity. As per instruction of MHRD, Institution Innovation Council (IIC) of our college Mugberia Gangadhar Mahavidyalaya has nominated their faculties as a mentor of this event.

❑ **IIC Institute Name:** Mugberia Gangadhar Mahavidyalaya

❑ **IIC Code:** IC201912633

❑ **Nominated Mentor Name:**

& Department: Debasish Das , Physics Department

(Mugberia Gangadhar Mahavidyalaya)

❑ **Name & Address of ATL School Visited:**

Bahadurpur Deshpran SikhaNiketan (H.S.)

VILL+ P.O. - Bahadurpur, Dist-PurbaMedinipur W.B. - 721626

❑ **ATL Code of the School:** 181032

Name of the Activity done by the Students: Drive a motor attached with propeller using DC battery

▪ **No of participants:**

24 students had participated at that event. The students were seated in groups (not exceeding 4) in the working area with all materials needed.

➤ **As a mentor some snapshots during the tinkering activity:**

➤ **Conclusion:**

Thank you IIC, Mugberia Gangadhar Mahavidyalaya for giving me the opportunity to experience such an amazing event. Special thanks to Mr. Nitai CharanPatra Sir (T.I.C. of B.D.S.N) whose endless support and Enthusiasm will definitely fulfill the main objectives of AIM.
