Report of observation of "Rashtriya Poshan Maah-2024":

Eating healthy is an important part of a healthy lifestyle and is something that should be taught at a young age. The teenage years are a time of rapid growth and development, so a healthy balanced diet is particularly an individual's nutritional and dietary needs. Adolescents are becoming more independent and making many healthy foods to meet their growth needs. Adolescents tend to eat more meals away from home than younger and they may be eating too much of the wrong types of food (i.e., soft drinks, fast-food, processed thin and to limit what they eat. Both boys and girls may diet to "make weight" for a particular sporting or social event.

The "Healthy eating habits for adolescence" theme of Rashtriya Poshan Maah-2024 effectively highlighted the of a healthy lifestyle. The month's activities succeeded in raising awareness, engaging the essential to build on this momentum and ensure that the benefits of millets are widely recognized and embraced.

This year the symposium was jointly organized by Department of Nutrition, Mugberia Gangadha Mahavidyalaya with Krishnagar Manindra Nath High School (H.S.) on 2 /9/2024 at 12:00 p.m. with our students and 2 our faculty members of our department. Based on the theme, the following activities like delivered lecture, oral presentation, and quiz competition were conducted in schools with their teachers and students to provide detailed information on *Healthy eating habits for adolescence*. The speakers was Ms Rikta Jana and Ms. Sruti Mandal. Total participants was Students -74, Teachers-3. The programme completed successfully.
