Department of Nutrition, Mugberia Gangadhar Mahavidyalaya had organized an educational excursion program at Agricultural and Food Engineering Department, IIT Kharagpur, West Bengal 721302 on 30th August 2022. Total 42 students of M. Voc (Food Technology Nutrition and Management) (Male-18, Female-24) with 10 faculty members (Male-3, Female-7), 2 research scholars and 1 lab attendant had participated in this excursion. The excursion provided the students to gain research knowledge and knowledge about development of new product. Which is very important part of a student's life specially for higher studies because it increases desire to research on something new. The students are very much interested and motivated by observing the research instruments and pilot production of specific product (like iron fortified rice). Students are interacted with research scholar and professor of Agricultural and Food Engineering Department of IIT Kharagpur, which helped them to gain research knowledge. Lastly examination will be done on the same day after the excursion.
