# Prospect of this course

- India ranks 2nd in terms of total food production globally, next to China. India ranks 1st in the world in terms of production of milk, bananas, mangoes, guavas, papayas, ginger; ranks 2nd in the world in production of green peas, potatoes, tea, tomato, sesame and many other key commodities.
- The food processing sector ranks 1st in terms of employment & number of factories in operation and 3rd in terms of output. The industry has witnessed a growth of 7.1%, much higher than the growth in agriculture sector and at par with the manufacturing sector. Strategic geographic location and proximity to food-importing nations makes India favourable for the export of processed foods. India witnesses nearly 4.6-15.9% wastage in fruits and vegetables annually, due to lack of modern harvesting technologies and cold chain infrastructure.
- West Bengal is a predominantly agrarian state. It is one of the major producers of food in India having a strong agri-horticultural resource base for a flourishing food processing industry. This state possesses a lot of scope for export of processed food if producers can develop processing of varieties of food.
- Beside knowledge of food processing, the nutritional awareness of food during processing, storage, distribution and during consumption is needed. Further knowledge and skill to manage the food processing in industry and nutritional management is required to get success in this field. For the growth of food processing industry, large skilled manpower will be required during the next few years. Considering above points in mind, this M.Voc course in 'Food Technology, Nutrition and Management' is designed.

# National Skills Qualifications Framework (NSQF)

- The curriculum which is based on NOSs and QPs would thus automatically comply with NSQF.
- The specific outcomes expected from implementation of NSQF are as follows:
  - Mobility between vocational and general education by alignment of degrees with NSQF.
  - Recognition of Prior Learning (RPL), allowing transition from non-formal to organized job market.
  - Standardized, consistent, nationally acceptable outcomes of training across the country through a national quality assurance framework.
  - Global mobility of skilled workforce from India, through international equivalence of NSQF.
  - Mapping of progression pathways within sectors and cross-sectorally.
  - Approval of NOS/QPs as national standards for skill training.

**For further details see**

**UNIVERSITY GRANTS COMMISSION (UGC)**

**Guidelines for providing Skill Based Education under National Skills  
Qualifications Framework**

**[https://www.ugc.ac.in/pdfnews/2237047\\_NSQF-Revised-Guidelines.pdf](https://www.ugc.ac.in/pdfnews/2237047_NSQF-Revised-Guidelines.pdf)**

## Purpose of this course

- To make skilled manpower in the field of Food Technology and Nutrition
- To develop a sound relationship between the job seekers and the job market in the field of Food Technology and Nutrition
- To develop entrepreneurs in the field of Food Technology and Nutrition

## Some important information about the course

- Course Duration: 2 years
- Intake Capacity: 40
- **Fees: Rs. 8000/ Semester**
- **Last date for admission: 28<sup>th</sup> November, 2020**
- Course is approved by UGC and will be initially funded by UGC
- The curriculum is aligned to Qualification Packs (QPs) / National Occupational Standards (NOSs) of job roles within the industry sector
- 'M.Voc (Food Technology, Nutrition and Management)' Degree Certificate will be awarded by Vidyasagar University
- Beside this, certificate for each QP will be provided by NSDC-National Skill Development Corporation (FICSI-Food Industry Capacity & Skill Initiative)
- **Eligibility for admission: Graduation in Nutrition, Food Sci. & Nutrition, Food Tech., Food Processing, Dairy Tech., Home Sci., Food Engineering, Agriculture, Chemistry, Biotechnology, Biochemistry, Microbiology, and other relevant program with minimum 50% marks**
- Process to Apply for admission : Through online <http://www.mugberiagangadharmahavidyalaya.org>

*Continue.....*

- Availability of separate boy's and girl's hostels
- Examination procedure: Skill component – semester/year wise conducted by NSDC along with semester wise by Vidyasagar University, General component - by Vidyasagar University
- More importance is given on practical class, Industry visit, Academic excursion, Industrial Training etc.
- Placements: Successful placements after the course completion through consultancy/campus interview/ sending force bio-data/ apply against announced vacancy post

**NB: Some information may be modified as per situation**

## Some of our industrial training provider

1. Kaira District Cooperative Milk Producers Union Ltd (Amul)
2. Red Cow Dairy (P)Ltd, Dankuni
3. Bajarangbali Vanijya Pvt. Ltd.(SOBISCO), Sheoraphuly
4. India Dairy Products Ltd., Joyrambati
5. India Dairy Products Ltd., Dankuni
6. Tasty Cake, Contai
7. Calcutta Bakery, Ramnagar
8. Mahamaya Rice Mill, Itabaria
9. Bipin Bihari Rice Mill, Itabaria
10. Ma Namita Rice Mill, Ginandapur
11. Ma Lakshmi Mini Rice Mill, Kanaidighi

## **Our Dedicated Faculties**

**Dr. Apurba Giri**  
**Coordinator**

**Dr. Sandip Basu**

**Ms. Sucheta Sahoo**

**Ms. Monalisa Roy**

**NB: Two more teachers will be recruited for this course**

# ***Innovative teaching learning methods will be followed for effective curricular delivery --***

1. Follow of academic calendar prepared by the University & College
2. Weekly academic staffs meeting
3. Fortnightly teachers-students academic meeting
4. Providing study materials
5. Departmental and central library facilities
6. ICT based teaching & learning process (smart board, visualizer, PowerPoint lecture, online course)
7. Surprise test, class test and internal assessment

8. Providing question bank
9. Students' class presentation with PowerPoint
10. Marks awarded for class attendance
11. Group discussion of students
12. Publication of Wall Magazine
13. Mentoring System

Weekly staff meeting for academic development

# Instruments/ Equipment Available in the Dept.

1. UV-VIS Spectrophotometer
2. Colorimeter
3. pH meter
4. B.O.D. incubator
5. Bacteriological incubator
6. Hot Air Oven
7. Vacuum pump
8. Micro wave oven
9. Water bath
10. Reflux condenser
11. Centrifuge
12. Vortex mixture
13. Weighing balance
14. Magnetic stirrer with hot plate
15. Micropipette
16. Desiccators
17. Hand blender
18. Icebox
19. Mixi Grinder
20. Pressure cooker
21. Refrigerator
22. MLX-B Plus microscope
23. Microscope Olympus-HB
24. Automatic blood pressure measuring machine
25. Sphygmomanometer
26. Stethoscope
27. Human weight machine
28. Blood sugar measurement machine
29. Haemoglobinometer
30. Anthropometric rod
31. Skin fold caliper
32. Measuring tape

# Job opportunities

## Job opportunity in

1. Food Industry
2. Food Laboratory
3. Research Institute
4. Academic – School, College, University
5. Government – Food inspector, Food safety officer etc.
6. Others

## Some Reputed Food Industries in India:

Nestle, Britannia, CocaCola, Pepsi, ITC, ParleAgro, MTR, Amul, Heritage, Kissan, Ruchi, Motherdairy, Ramdev, MCCAN, Adani, Pzzahut, Dominos Pizza Hut etc.

## Some Food Industries in West Bengal

Britannia Industries Ltd., Kolkata; Keventer Agro Limited, Kolkata; Raja Biscuit Industries Private Ltd., Kolkata; Saj Food Product, Kolkata; Satyendra Food Products Pvt. Ltd., Kolkata; Rochak Agro Food Products Pvt Ltd, Kolkata; Soma Food Products, Baranagar; Yours Food Pvt. Ltd, Kolkata; Legend Food Industries, Kolkata; Modern Food Industries India Ltd., Kolkata; Kolis Foods Private Limited, Kolkata; Bhagwati Foods Pvt. Ltd., Kolkata; Creambell - Devyani Food Industries Ltd, Kolkata; Dollon's Food Products (P) Ltd, Kolkata; Sunrise Foods Pvt. Ltd, Sandhipur; Kit Kat Fast Food Industries, Kolkata; Country Food Processing Industries, Panchla; Aakash Food Products Pvt.Ltd., Kolkata, Elmac Foods, Kolkata

## Some Food labs in West Bengal

Central Food Laboratory, Kolkata; EFRAC, Kolkata; Regional Centre For Food Testing Laboratory, Kolkata

# MoU of 'Mugberia G. Mahavidyalaya' with 'FICSI-Food Industry Capacity & Skill Initiative' for examination, training, and placement

**FICSI**

Food Industry Capacity and Skill Initiative

# Ongoing M.Voc Program on similar courses throughout India

# Advantages of study M.Voc in Food Technology, Nutrition and Management

1. Master degree. So application for any job which is related to Master degree, can be done.
2. Lesser course fees
3. No need of entrance examination for admission
4. Availability of sound infrastructure (Teachers, Smart class room, Laboratory, Library, Computer lab connected with high speed internet etc.)
5. Practical oriented study
6. More advanced learning and development as compare to General study, to face the challenging environment
7. Opportunities of future study after M.Voc → Ph.D
8. Job opportunity too high
9. Opportunity of enterprenuership in the relevant field

# Our College Campus

Play ground

# Some of Our Departmental Activities

# Some of Our Departmental Activities.....

Visit to a rice mill

Visit to Red Cow Dairy

Taken with Zenbone 4 series Sept 4, 2019

Visit to SOBISCO

Industrial training

Collaboration with industry

Discussion with industry partner on academic development

Training of Faculty at NIEPA, New Delhi

Visit at Food Industry Capacity & Skill Initiative office, New Delhi

Visit at MOFPI, New Delhi for funding

Celebration of Teachers' day

Winter picnic

Departmental fruit tree plantation programme
