Buddhadev Jana, 2nd sem student of Bengali Hons took a Literary History class on behalf of the first-year Bengali Department. While taking this class, all of Buddhadev's classmates took the class very attentively. By reading this subject, our students have developed intelligence in understanding how the social system has evolved. It has also been possible to understand the differences between the ancient era, the medieval era and the modern era in the context of reading Bengali literature. A special enthusiasm can be observed among all the other students while taking the classmate class.

Hostel cleaning program conducted by Boarder of Hostel, Mugberia Gangadhar Mahavidyalaya on 21.05.2022; Total participated students -102

HOSTEL CLEANING PROGRAMME, 2022 SOLOSUTA NANDA BOYS HOSTEL DEPARTMENT OF PHYSICAL EDUCATION MUGBERIA GANGADHAR MAHAVIDYALAYA BHUPATINAGAR, PURBA MEDINIPUR, 721425

Hostel cleaning programme was held on 21.05.2022 in Solosuta Nanda Boys' Hostel which was led by Hostel Superintendent and Asst. Superintendent, Sk. Khabiruddin and Mr. Arnab Barman, encouraged and financed by the honourable Principal Dr. Swapan Kr. Misra.

Cleanliness is one of the most important part in human life which is a habit of keeping your body and surroundings clean and free from impurities such as dust, dirt, germs etc that could otherwise be present and harm our health. To stay healthy and well, cleaning is a mandatory process for all. Cleanliness is something that needs to be practiced regularly as a habit by an individual as well as the community. That's why cleaning is kept as a compulsory task in the morning for the boarders of this hostel. After 2020, as COVID-19 thrives, cleanliness has become one of the most essential need in our society. By adopting cleanliness in our residents and surroundings, we will contribute to building a healthier nation.

Our cleaning programme includes cleaning personal rooms, bathroom, toilets, dining rooms, store room, reading area, water tanks and drainage system; cutting the bushes and weeds around the walls and sanitizing the whole hostel area.

Special Lecture and Awareness Program on obesity and Women Reproductive Health

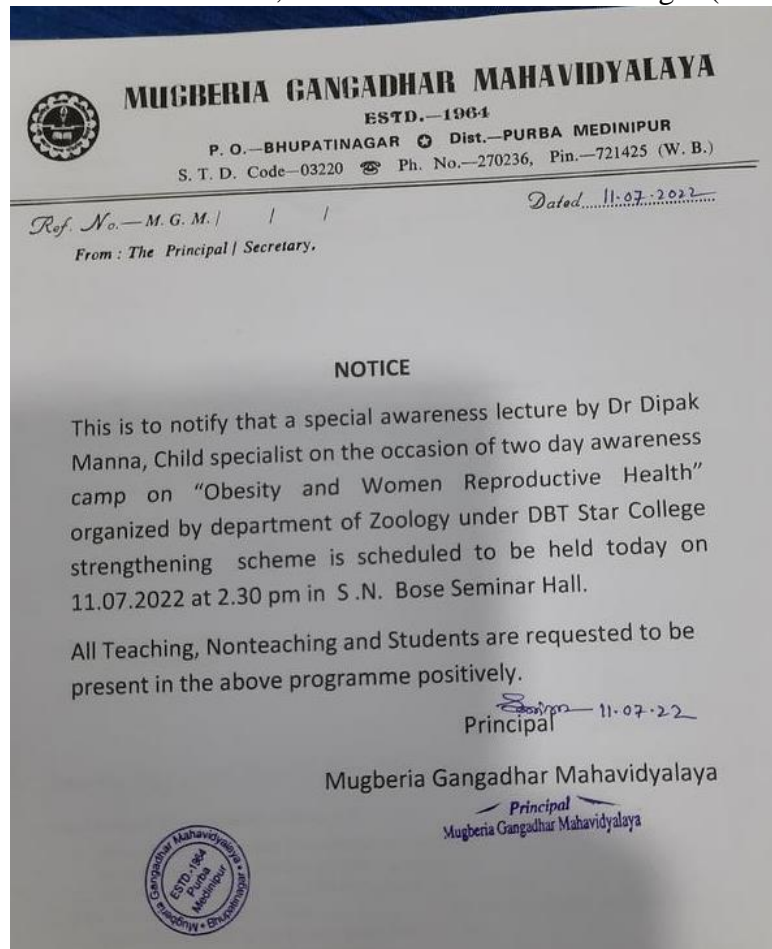

A two day awareness camp on the risk of obesity and associated women reproductive health was conducted at Mugberia Gangadhar Mahavidyalaya, under the DBT-Star College Strengthening Scheme on 12th and 13th July, 2022. The initiative was taken by the Department of Zoology, Mugberia Gangadhar Mahavidyalaya in association with the Environmental Epigenomics Laboratory of Dr. Pritha Bhattacharjee, Assistant Professor and Head of the Department of Environmental Science, University of Calcutta. Eminent doctors and research scholars from the University of Calcutta demonstrated the adverse effects of improper lifestyle on obesity and female reproductive health. Around 100 volunteers from Mugberia Gangadhar Mahavidyalaya of the age group 18 to 60 years participated in the health check up camp which involved body composition analysis determining the fat and muscle ratio and blood pressure monitoring. Biological samples were collected from volunteers with their proper written consent and institutional ethical permission (Ref No. 003/17-18/1676). DNA isolation from individual blood samples was demonstrated by the team of researchers to the faculties and students of the Department of Zoology, Mugberia Gangadhar Mahavidyalaya

Glimpses of the Awareness Camp:

Status Report: Risk of Obesity among Volunteers from Mugberia Gangadhar Mahavidyalaya

- Total: 101 number of individuals including students, faculties and staffs
- It has been observed that 30% of the participants including 19 male and 11 females were overweight with Body Mass Index (BMI) ≥ 25 . 50% of the participants were found to have normal BMI = 18.5 to 24.9, whereas 20% were underweight (BMI < 18.5).

Title of the talk: “A comprehensive technical session on Latex”

Department of Mathematics of Mugberia Gangadhar Mahavidyalaya organized One day national workshop on “**A comprehensive technical session on Latex: Report writing, Beamer modification for effective CV and Presentation**” on 18th December 2021 (1:15-3:15pm) using the platform Google meet Streaming in YouTube to motivate and cautious the large number of people and specifically young mathematicians including those at the beginning of their careers- such as B.Sc. and M.Sc. students, research scholars and others to enlighten the scope during this crisis period. Dr. Swapan Kumar Misra, principal of this college inaugurated the program on virtual platform. ***Dr. Rakesh Laxmikant Das, Teaching Assistant in AMHD NIT - Surat, Director in a startup Nano Enhancer*** was the main speaker. Currently, Dr. Rakesh is working as a Teaching Assistant at the Dept. of Mathematics and Humanities, SVNIT. Consequently, he is also a co-founder and a director of a startup called "Nano Enhancer" incubated at ASHINE, SVNIT. His product is specialized in the areas of crude refinery, diamond industry, and abrasive industries. Total 104 students (Male: 65 and Female: 39) with 11 faculty members (Male: 09 and Female: 02) participated in this program. Most of the students of UG, PG and nearly 28 alumni were participating in this program to acquire knowledge to write repot, research paper, question and beamer presentation using Latex in offline as well as online platform. Some students asked various type of questions related to referencing, citing articles, automatically updated equation, caption and label number for tables and figures to the speaker and the speaker answered them satisfactorily. This workshop had been achieved its goal and grand success.

Inter departmental activities under DBT Star college scheme on “Introduction to Excel” organized by Dept. of Mathematics, Mugberia Gangadhar Mahavidyalaya on 17.02.2022; Total participated students -20

Department of Mathematics organised an inter departmental workshop program entitled “Introduction to Excel” on 17th February, 2022 at 02:15pm onwards to help, motivate and encourage for computing simulating the numerical data / practical data of project / research paper in different field of Mathematics, Chemistry and Zoology in Computer Lab of Mathematics Department under DBT start college Strengthening scheme. Dr. Swapan Kumar Misra, principal of this college inaugurated the program. The Joint co-ordinators Dr. Bidhan Ch. Samanta & Dr. Kalipada Maity were thanks to DBT and the organizing Department. Dr. Manoranjan De, Assistant Professor, Department of Mathematics was the main speaker of this program. He nicely presented his PPT and involved all the students for hands-on session. Total 62 students (Male: 37 and Female: 25) with 14 faculty members (Male: 09 and Female: 05) among above three departments participated in this program. They acquired the most of the knowledge of excel. Finally, three students asked various type of questions related to advanced excel and the speaker discussed their questions in details to satisfy them. Dr. De also promised that he will teach another session to learn advanced excel, for better understanding in computation and simulation problem. Thus the workshop was successful.
