## Mission and Vision of the College

### *VISION:*

The college is a treasure trove, a citadel of learning, considers a premier temple of higher learning, which imparts quality holistic education to all seekers irrespective of caste, creed and gender. In order to maintain the quality of education we have committed towards the social needs and the betterment of the masses. Mugberia Gangadhar Mahavidyalaya situated amidst verdant tranquility, far away from the madding crowd of urban existence. Education, in our vision, is to express oneself and to find answers to eternal questions through the process of self-exploration. Our vision is to achieve perfection of that manifestation of divine which is already latent in man and to achieve excellence in higher education, empowerment through knowledge, inclusive growth for socio-economic change, and sustainable development. Mugberia Gangadhar Mahavidyalaya in compliance with the visions of the NEP-2020 has taken up the core idea and complied it as an addition of the above that with the academic excellence it also aimed “to instill among the learners a deep-rooted pride in being Indian, not only in thought, but also in spirit, intellect, and deeds, as well as to develop knowledge, skills, values, and dispositions that support responsible commitment to human rights, sustainable development and living, and global well-being, thereby reflecting a truly global citizen.”

### **MISSION**

The mission of the college is to dissipate the darkness of ignorance and elevate youngsters to the pedestal of wisdom by fostering spirituality, knowledge, and skill, thereby empowering them to deal with real life situations and equipping them to build a fruitful future for themselves and the society at large. The college is situated in a culturally rich locale, and it is the only college in the vast area of Bhagwanpur-II block in the District of Purba Medinipur, WB. It was founded in 1964 with the help of the donations collected from the local people with the aim to serve the poor inhabitants of the area who were unable to send their wards to distant places for higher education. Since then, the college has extended its activities to the remotest corners of the society and as a result, it has been revealed that the percentage of girl students is getting increased. It is because of the mass awareness campaign by the colleges well as the scope of various scholarships by state and Centre like ‘KanyasriPrakalpa’, Beti

Parao Beti Banchao' etc and it's systematic implementation inthe college by the management. By virtue of this, the mission of the college is to educate, empower and making them self-supported by providing all sorts of facilities maintaining gender equity. Our missions and goals also include Prioritizing Vocational training and Diploma Courses for industry academia relationship

The governance of the institution is reflective of and in tune with the vision and mission of the institution's academic and administrative policy guided by overarching Vision, Mission, Goals, Values and Beliefs of the institution. Academic and administrative policy is considered to be the backbone of academic institution. The character of our policy including quality education within a rural setup in the threshold of the changing global education inculcates the ability of reasoning, imagination and values in higher education.

**Quality objectives and outcomes:** The College conducts its programs and activities guided by the Vision, Mission, Goals, Values and Beliefs statements. The College achieves its quality through integration of teaching and learning, advancement of the knowledge base through research programme, and leadership in service and outreach. By this way, the College shall become a leader in preparing professionals who provide leadership and exemplary educational and related services to improve the lives of individuals in this cyber culture. The confluent approach of the Management, Principal and Faculty development committee takes the initiative to formulate quality policy and plans in order to uphold the mission and vision. The Governing Body works in collaboration with the Principal to regulate and maintain an amicable scholastic environment required for this and implements the decisions and policies by obeying the suggestions of the members of Teaching Non-Teaching staff and students. Principal personally communicates with staff members to ensure so that the practice of decentralization is maintained. The IQAC, Teachers' Council and Academic Sub-Committee meet regularly to discuss on various implementation procedures. The Governing Body and Principal actively participates in discussions to ensure that the policy statements and action plans are aligned for attaining the mission of institute, disseminates the vision and mission to all stakeholders and involve them in the formation of the policy statements. To review the outcomes from the implementation of action plans several meetings are being conducted with functional committees and this open up scopes for necessary changes in action plans if required. The management takes review of quality policies and makes amendments in quality policies if required. As a result, of the collective efforts, the institution has completed 3<sup>rd</sup> Cycle

Accreditation with CGPA 2.71 which will remain valid up to 31 March 2024. The College has also been awarded CPE status by UGC from 2016-21 (UGC 12<sup>th</sup> plan) and DBT star college strengthening scheme by Dept. of Biotechnology, Govt. of India.

**Formulation of action plans:** The action plans are formulated in line with quality policy under the leadership of the Principal and the same are incorporated into strategic plans for effective implementation.

**Proper support for policy and planning:** The Principal of the college interacts with various stakeholders and the student representative to incorporate continuous planning and development in the overall administration. For this, the Principal keeps formal contact with the concerned person of the Higher Education Department, Govt. of West Bengal, UGC, NCTE, and Vidyasagar University.

**Reinforcing the culture of excellence:** For the reinforcement of cultural excellence the vision, mission, short term and long term goals, quality policies are kept wide open to all stakeholders for their suggestions through offline/online (College Website). Necessary training is provided to its faculty and supporting staff for their development and motivates the team building and team work to create healthy work culture. The students of the department of physical education annually participate the WBCIPE Cultural Exchange Meet along with other institutes of West Bengal offering physical education teachers' training course.

Besides, to provide opportunity to backward students to move to higher education in future and to prepare our students in such a way so that they can become inspiration for others, the college made learning in general subjects effective thereby tagging it with job opportunities. The priority is to provide skill based education through various activities of Institutional Innovative Council (IIC). The students who are interested in entering the workforce at the earliest opportunity were provide entrepreneurial orientation along with required skill training for self-employment and entrepreneurship development for the community.

Apart from these, the institute offers Food Processing, Tourism & Hotel Management courses to facilitate the job opportunities of the students. It is well known that the Tourism and Hotel Industry is one of the most prospering industries in India today. Hotels, Resorts, Clubs, Airlines, Restaurants, Travel agencies, event management companies and a wide range of related service sector industries constantly need qualified and skilled people to grow their businesses. The Travel and Tourism sector is projected to continue growing and as it expands employers around the world increasingly demand qualified and highly

skilled resources resulting in a great opportunity to develop a career in this fast-growing sector.

The field of Food Technology is also an equally burgeoning field that is capable of garnering expansive employment opportunities. The diploma course of Vermi Composting likewise is a very useful course especially for the students of rural communities to seek entrepreneurial avenues in future. That is why the institute runs these courses to fulfill its vision and mission.
