Action Taken Report for the academic year 2021-2022

Sl. No.	Plan of Action	Achievements/Outcomes
1.	The IQAC has proposed a systematic planning guidance on various activities of the DBT Star College Scheme recipient departments namely Mathematics, Chemistry and Zoology.	Chemistry and Zoology to obtain 2nd instalment of the grant. The college has obtained its 2nd instalment of Rs. 10.48 lakh from the Ministry of Science and Technology in this academic year. (28.10.2021)
	IQAC has initiated plan to increase a number of 30 hrs certificate courses on various skill-based subjects in order to strengthen skill development of the students. It is also intended to run 26 certificate courses, Add on Courses, Short term courses and to execute the same, IQAC has sent letters to all departments so that they can take necessary steps to start the courses.	Apart from previous nine (09) certificate courses, departments of Mathematics, Physical Education, Commerce and Political Science had offered 30 hrs certificate courses for the running session.
	In the post covid scenario, it has been proved to be a tough task for the HEI's to keep the students inside the campus. Keeping in mind of the same and keep the students in the institutional teaching learning process, the institute has decided to strictly follow 75% attendance of the students.	In rural and backward colleges the number of absentee has been increasing day by day particularly after the Covid-19 Pandemic. Therefore to retain the satisfactory number of students in the college hour, 75% attendance has been fixed as mandatory and implemented accordingly.
	In order to meet the demands for more books by the students in the central library, IQAC has proposed to Governing Body for the extension of library building	In the last few years, large influx of students into UG and PG courses has been witnessed by the institution. Therefore an average demand per book has been increased. As per proposal of the IQAC, the Governing Body has sanctioned and the construction work began.
	IQAC has suggested for book purchase for Central Library	At the beginning of the fiscal year, departments were asked to

	The IQAC constantly monitoring the work done by the Institutional Innovation Council (IIC). IQAC entrusted IIC to develop more innovative idea generation activities, IPR and entrepreneurship support.	The Institutional Innovation Council (IIC) to a great extent achieved satisfactory success by providing new impetus in its yearlong activities. Some of the achievements of the session 2021-22 are given underneath 1) Organized Impact lecture Scheme –Phase-1, Two lecture in session-1 and Two lectures in Session-2) funded by the MIC, Institutional Innovation Council, Govt. of India held on September and October 2021 on virtual platform. 2) Got 3.5/5 Star rating for year wise performance of the Institutional Innovation council. (Star Creative Appreciation) 3) Best Poster award at the Regional Meet held at Gurunanak Institute of Technology, Kolkata
	To foster the academic activities amid Covid-19 lockdown, the IQAC has facilitated webinars and other programmes on virtual Platform despite of being confined to our homes.	Nearly 67 programmes along with webinars have been organized by the college on Zoom and Google Meet platform.
	To strengthen student supports towards competitive exam and job opportunities like NET, GATE, JAM, TET, WBCS, IAS, etc, the IQAC has taken plan to extend support to various departments.	The departments of Nutrition, Physical Education, Mathematics, and Chemistry have already been started taking classes on blended mode. Books on competitive exams have been procured and as a result more than 25 students of this academic session have been qualified in different competitive examinations.
	IQAC has proposed to do Departmental Audit in its meeting.	The IQAC has started departmental audit on monthly basis. It encourages departments to self inspect of their educational quality processes. It also helps the department to look into its strength and weaknesses. IQAC
