Impact or Outcome

- * Students are motivated and enjoyed their volunteer services for the needy people during this pandemic situation.
- * The student volunteers are able to make effective use of their idle time available during this pandemic by doing such voluntary services thereby fostering a sentiment of inclusiveness and humanity.
- * The affected people both by the pandemic and by the Yash disaster are being benefitted to some extent by having these voluntary psychosocial support and services.
- * The organizing institute has obtained opportunity to provide some community service to the surrounding locality.
- * All the stakeholders of the college have been involved spontaneously in these services.
