Report on

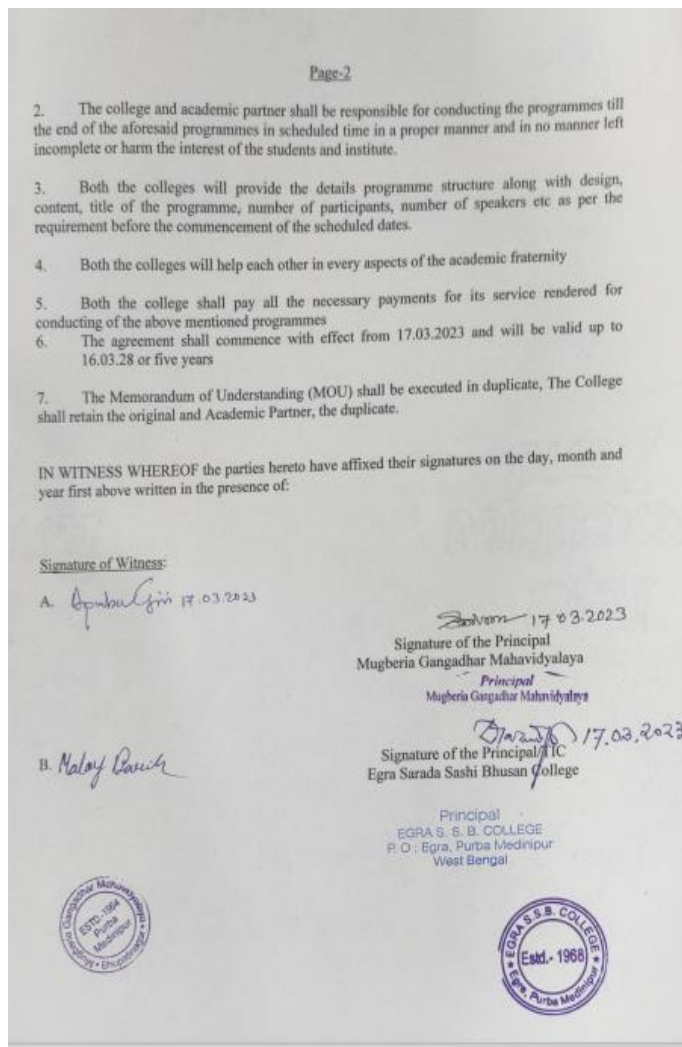

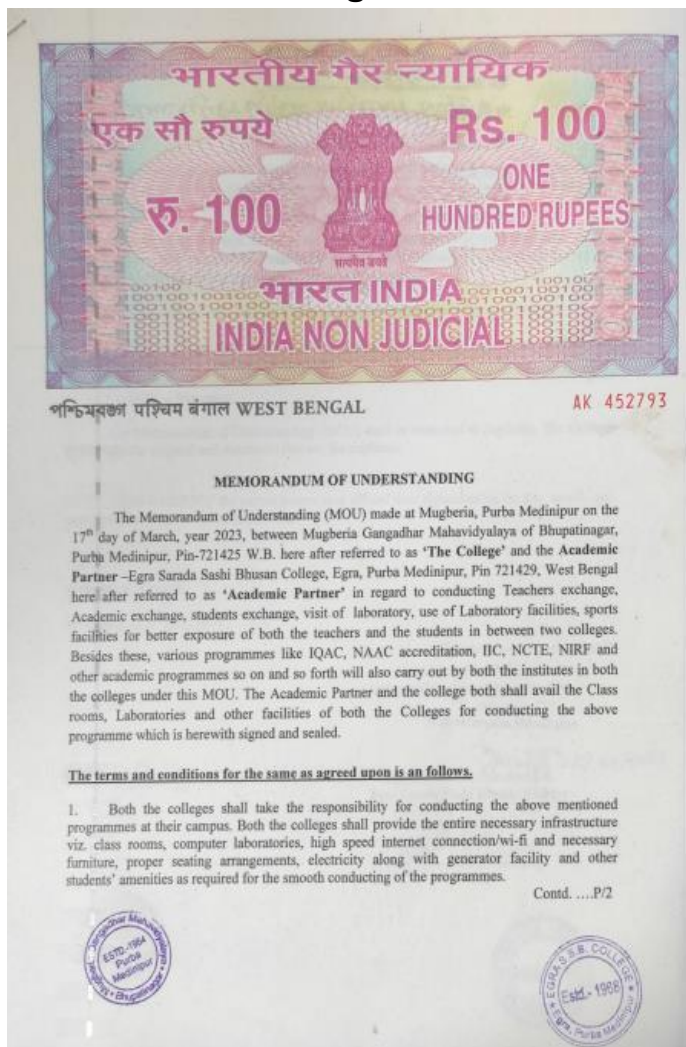

Student Exchange Program

Student Exchange Program are an excellent opportunity for the students to get an education in a new environment, get acquainted with the environment and culture of the new college, and build social and intellectual skills. In addition, it can give students good expanding of their horizons of understanding and learning. In simple terms, a student exchange program offers the opportunity to learn something in new environment. Students can use the assistance of their home institution to study in foreign institutions or colleges for a limited period. Here, exchange refers to the opportunity for students to attend another college or university, while the host college students can do the same.
