On the 5th of June 2023, Mugberia Gangadhar Mahavidyalaya organized World Environment Day celebrations. The main aim of the event was to increase awareness among students about the importance of the environment and the need to protect it. Students were asked to prepare poster, make models or decorate the class with Environment Day as the theme. A small cultural event was organized by the students on the occasion of Environment Day. The Principal of the college gave a speech on what role the environment plays and why it is important for people to take initiatives to save the environment. Then, as a special drive for Environment Day, the Principal announced that students would be planting inside the college premises. A quiz and poster competition was organized, and students were asked to draw anything related to the environment. The first three winners were given plants and prizes.. The events of the day came to an end with the Principal giving away prizes to the winners and quiz competition.

Objectives of the Day:

1. The environment plays an integral role in maintaining the balance of the ecosystem we live in.
2. Most people don't understand the importance of the environment and end up damaging it with their various activities.
3. If we continue to degrade the environment, in the long run, the adverse effects will affect human beings too. So, to protect the environment, one should focus on sustainable development.
4. In this way, the demands of human beings will be met without overexploiting the natural resources of the environment.
5. On the basis of quiz competition all the students can get learned about the different area regarding develop their knowledge base though this.
6. Through the poster presentation they must have to learn about the environment and its related issues before the execution of poster presentation.
7. Through the social awareness programme all people in our society can get the information regarding good and evils effects of environment.
8. Through the plantation we can give the message to all the students not only them but also to entire society that a tree can helps us in different modes which we must have to realize now a day.
