SHORT REPORT

Prof. A. K. Bhattacharyya Memorial Lecture was begun in 2020 to recognize his excellence in research and knowledge in physical education. This year, **Prof. A. K. Banerjee**(Mob:9433014569) former Vice Chancellor of University of Kalyani, **Prof. (Rtd) P. Debnath**(Mob:9836573555) from Jadavpur University and **Prof. (Rtd): S. Bhowmick** (Mob:9748127716) from University of Kalyani, was invited to give the memorial lecture in front of our departmental student in *Shatabdi Sadan* on 26th May 2022. A mixed audience of more than one hundred twenty (120) students attended the 2nd **Prof. A. K. Bhattacharyya Memorial Lecture**, held at our college on 26th May 2022 including our respected principal and all other faculty members.

Professor A. K. Banerjee during delivering his speech

Prof. A. K. Banerjee gave a thoroughly stimulating lecture on Women in Olympic. Many positive comments come from our departmental students proved it was a resounding success with the subject matter being presented in a manner that everyone could understand.

Professor P. Debnath during delivering his speech

Prof. P. Debnath gave the memorial lecture on the special area that was in research in physical education and its importance. The lecture which was given by the Prof. P. Debnath was also the essential part of the syllabus and he gave a clear idea regarding research in physical education and its implication.

Professor: S. Bhowmick during delivering his speech

Prof. S. Bhowmick gave his lecture on the special area which was also the part of the syllabus that was on Sports Biomechanics. Prof. Bhowmick gave special emphasis on the research and its application on present day. The whole lecture session was a special one and effective for the students of B. P. Ed and M. P. Ed both at the same time.

Immediately after following the lecture, a photo frame of Prof: A. K. Bhattacharyya was given by our principal sir to all the invited speakers for token of love. This type of prestigious event placed demands so many. Above all, special thanks to Prof. A. K. Banerjee and Prof. P. Debnath and Prof. S. Bhowmick for such an excellent lecture, demonstrating how physical education is very much important for now-a-days.

Outcome:

1. The students can learn about the Dr. A.K. Bhattechariya's contribution in the field of physical education and his dynamic personality not only in the field of physical education but also to the other subjects.
2. On the basis of such kinds of memorial lecture the students can learn the different personalities of physical education in West Bengal as well as in India and their contribution in our field of physical education as well.
3. Through the memorial lecture the students can learn how to give a lecture in front of the participants, how to start the inaugural programme and so on.
4. The lecture will also encourages us not only the teachers but also the students to recharge and go for the next.
5. From the lecture they can get so many information regarding our subjects in the past as well as in present situation . on the basis of that information they can easily compare the situation in past and present .
