WALL MAGAZINE

INTRODUCTION:

Generally, a wall magazine is a periodically that usually contain an assorted collection of articles, Fiction, recipe and images. Magazines are typically, directed as a general reading audience. They are often published on weekly or monthly.

A wall magazine is term given to posters which presents information through text, photos, and illustrations like a magazine. As its name indicates, it can be displayed on the walls of school buildings. A display board can also used for this purpose. It can also be utilized as a medium to increase interaction between students by having regular fortnight quizzes, so making it widely known.

OBJECTIVES OF WALL MAGAZINE:

- To enable the students to express their inner feeling.
- To improve their written and drawing skills.
- To provide opportunities for expression of writing.
- To make the students aware about socio economic developments.
- To help enhancing the knowledge of students.
- To identify and nurture the creativity among students.
- To increase interaction between students and teachers.
- To help students to shift the required data from a multitude of facts and figures available around them.
- To keep the students abreast of the latest on going around them by regularly reading newspaper magazines, journals and surfing the internet.

SIGNIFICANCE OF WALL MAGAZINE

- It improves the skills of students' writing and intellectual skills.
- Develops the skills of students in literature and essay writing.
- Develops the skills of fine arts especially drawing and sketching etc.
- Wall magazines helps students' in:
 - Learning how to write scientific research, short essays, stories, news and news review.
 - Taking responsibility for searching sources of information which will lead to acquiring self-learning skills.
 - Improving their abilities to study, understand and think critically.
 - Learning how to plan, organize and how to manage time.
- Wall magazine are a medium within the educational institutions for the students to express their writing skill and creativity.
- It is important means to enable the students to express their inner feelings.
- It provides students the training for utilization of leisure time.
- Wall magazines keep students abreast of the latest ongoing around them by regularly reading newspapers, magazines journals.
- It provides a scope for writing independently on a given topic.

So, wall magazines have great significance in the student's life and in education. It encourages young children to flourish their document talent and creative facilities. It is most appropriate platform for exposure to the artistic potential among peer.
