DEPARTMENT OF PHYSICAL EDUCATION MUGBERIA GANGADHAR MAHAVIDYALAYA Intramural Competition Report 2021-2022

Intramurals are fun, recreational, social and competitive on-campus sports activities. The term Intramural is derived from the Latin word intra muros which means within walls. The teams compete within walls of the institution, e.g., inter-class tournament within the college or institution. The Intramural Competition Program provides an opportunity for every student to take part in competitive and non-competitive recreational sports activities within the framework of educational activities.

The objectives of the Intramural Sports Program are to provide

- Opportunities for individual development through various activities
- Opportunities for social contact and the development of lasting friendships
- Leadership and fellowship opportunities through participation
- Recreation for individuals, regardless of their skill ability
- Opportunities which develop a positive attitude toward lifetime recreation
- Opportunities for personal growth and development through employment and leadership experiences

This Intramural Competition was organised by the department of Physical Education, Mugberia Gangadhar Mahavidyalaya among four Houses namely Blue House, Green House, Red House and Yellow House. Every House were contained four batches of B.P.Ed. and M.P.Ed. students.
