Report
Of
Mentor Mentee Club
of
The Department of Mathematics (UG & PG)
Mugberia Gangadhar Mahavidyalaya

Mentor- Mentee Cell (Formerly known as Tutor-Ward Club) is founded by Mugberia Gangadhar Mahavidyalaya, Bhupatinagar, Department of Mathematics with a vision to extend support and guidance to the students studying in the college for the betterment of their academic and professional career and thereby contribute towards nation building. It is very effective system that is aimed to narrow down the gap between the mentee and the mentor and thereby the society in general. The students may come across difficulties during the degree programmes and have to face academic and adjustment challenges. To cope up with such problems and to enable them to excel in academics and profession as per their potential, a Mentor- Mentee programme for the students of the institution has been developed.

We are providing counseling to the students through personal attention and regular dialogues during their stay on campus, on telephone and by paying personal visits to the houses of the mentees allotted to the teacher concerned as the Mentor. We have been providing them tips on studies personal counseling, guidance regarding career

choices, to get success in the university examinations. We have also been supporting the mentees in the form of precise content on courses, fees, reviews, college admission process and scholarships etc. The scheme has become very successful in bridging the gap between the teacher and the student. It has become instrumental in blending the harmonious relationship between the learner and his/her family and the institution at large. It has definitely created an atmosphere of conviction and faith about the alma mater. Consequently, every year the enrolment ratio of girl-students from all sections of society has been rapidly increasing.

We aim that all students get rightly educated and take the right step towards building their career

Aims and Objectives:

- To bridge the gap between the mentor and the mentee.
- To ensure the quality performance of the students in academics.
- To deal with the related issues for the holistic development of the students.
- To provide mutual support and congenial learning environment.
- To inspire and motivate for higher studies and competitive examinations.
- To discuss stress related issues.
- To regulate the academic involvement and assess the outcome.

Program Details:

- Mentees shall be assigned to the mentors right from the first year of the programme.
- A mentor shall not have more than 30 mentees at a time.
- The mentees preferably be attached to the same mentor for the entire duration of the programme.
- The mentor shall meet the mentees regularly and record the outcome of the meeting in the hard copy. The details about each mentee will be recorded and periodically updated.

- The mentor shall identify the students performing exceptionally well in curricular or co-curricular activities and report to the head of the institution/department for providing further motivation to advanced/gifted learners.
- The mentor shall also identify the students whose performance/attendance is below par. The mentor shall interact with the student and try to find out the cause of the problem or an indifferent behavior. If required the mentor will involve the parents, head of the department for reforming the student.
 - a. Attendance: The mentor shall observe and monitor the attendance of the mentee. He/she shall advise and take necessary follow up action with regard to students who do not meet the attendance norms of the college.
 - b. Academic Matters: The mentor shall also keep a track of the academic performance of mentees including continuous assessment, term and examination and help the mentee through counseling or by arranging remedial teaching, if necessary

- j. Have a positive attitude.
- k. Accept feedback respectfully & cordially & discuss future course of action.
- l. Attend mentor meetings regularly & punctually.
- m. Provide feedback and communicate healthy developments in you.

Characteristics of a good Student Mentor:

- A good student mentor is someone who engages in a positive relationship with the student and gives them attention.
- The mentor needs to have positive self-esteem, react well to stressful situations and tolerate frustrating situations.
- They need to listen well and communicate on a level that the student can understand and not be judgmental.
- The mentor needs to provide leadership and guidance and be a positive role model, nurturing a relationship that respects the student's dignity.
- The mentor must always show up on time for sessions, be committed and accept their responsibilities.
- A good mentor will reinforce the student's successes and challenge them to do better and be willing to give them a fresh start if there are any lapses.
- They will not break the trust they have established.

Benefits of a Student Mentoring Program:

- Students benefit by receiving the support and guidance of a caring adult or supportive peer and also receiving assistance with their academic studies.
- Students will experience greater self-esteem and be motivated to succeed.
- They will also receive encouragement to stay in education and progress to further and/or higher education and receive assistance in choosing a career path.
- The Mentees will be encouraged to avoid the use of drugs and alcohol.
- Student will also improve interpersonal relationships, such as with Institute, the teaching staff and the student's family.

Benefits to Peer Mentors:

- Adults who volunteer to mentor students increase their involvement in the learning community and recognize they can make a difference.
- They will gain new experience and knowledge about young people and the Institute community and contribute to the wider aims of community cohesion and regeneration .

Benefits to the Mathematics Department:

- Having a student mentoring scheme helps to foster good community relations and contributes to the local and area targets for economic growth.
- Students will be more motivated and inspirational which will improve morale amongst the learning community.
- Mentoring will maximize the achievements of individual students and groups of students who are at risk of underperforming and remove barriers to achievement for vulnerable groups of students.
- Mentoring enhances the skills of staff and students, improves student attendance and increases student retention.

Mentor Mentee Program

Department of Mathematics

Mugberia Gangadhar Mahavidyalaya

The entire world is going through the grim situation owing to the COVID-19 pandemic and its new variant 'Delta' as well as 'Omicron'. In the present situation people are passing days with lots of uncertainties like threat to be infected, economic recession owing to the long period of lock down, irregularities and disruption of children's education, domestic intolerance due to no or irregular earning and old parent's physical instability as well as employment uncertainties of the educated youth. Not only these, the modern highly complicated way of life has led people in front of perpetual competition and new challenges.

In the light of this, a committee was formed under the mentorship of the Principal, Mugberia Gangadhar Mahavidyalaya, Dr. Swapan Kumar Mishra and Dr. Kalipada Maity, Asso. Prof. and HOD of Department of Mathematics as Convener to conduct the program in a systematic manner. The "Mentor Mentee Program" was completed successfully under the proper guidance of Hon'ble Principal Sir Dr Swapan Kumar Mishra and Hon'ble Dr. Kalipada Maity sir (Associate Professor, HOD, NAAC Coordinator), through face-to-face program on 05.01 2023 with 45 participants.

In the welcome address Dr. Kalipada Maity, Coordinator, Associate Professor, HOD, NAAC Coordinator, of Mathematics Department had briefly discussed about the relevance of organizing "Mentor Mentee program" in the transition period to move towards the digital milieu along with the uncertainties owing to the covid-19 situation. Learners should do self-analysis to find out their strengths as well as weaknesses. Our Principal sir, Dr. Swapan Kumar Mishra also briefly discuss about mentor mentee program and also motivate the students participant all the program and reports all the problem to the mentors friendly every time. Dr. Manoranjan De, Assistant Professor, Dept of Mathematics discussed in details about the importance of this programme. All the others teacher clearly discuss about the objectives of this program and motivate to participate friendly. At the end of the program the vote of thanks was proposed by Dr. Kalipada Maity, Coordinator, Associate Professor, HOD, NAAC Coordinator, Department of Mathematics.
