Mugberia Gangadhar Mahavidyalaya**

Date: 6th August, 2022

Time: 11:00 am

Visit Place: Surrounding the College Building

Visit Place: Surrounding the College Building

Engagement:

Teachers: Pintu Roychowdhury, Sukul Soren, Pranab Mahapatra and Saheb Hazra

Students: Soumen Paul, Susmita Maity, Arundhati Maity, and others.

Activities:

The Bengali Department (UG & PG) of Mugberia Gangadhar Mahavidyalaya conducted an awareness campaign on Dengue and Malaria on August 6, 2022, in the vicinity of the college building. The initiative aimed to educate both students and the local community about the prevention and risks associated with these vector-borne diseases.

Chemical Spread:

Various types of chemicals effective in controlling mosquito breeding were dispersed in and around the college premises. This proactive measure was taken to minimize the breeding grounds of mosquitoes, thereby reducing the risk of Dengue and Malaria transmission.

Educational Component:

Teachers, including Pintu Roychowdhury, Sukul Soren, Pranab Mahapatra, and Saheb Hazra, actively participated in delivering short speeches to impart knowledge on the symptoms, prevention, and treatment of Dengue and Malaria. The sessions were informative, encouraging the audience to adopt preventive measures and seek timely medical attention if needed.

Student Involvement:

Students, led by Soumen Paul, Susmita Maity, Arundhati Maity, and others, played a pivotal role in the execution of the awareness campaign. Their

active participation in spreading chemicals and engaging with the local community amplified the impact of the initiative.

Conclusion:

The Dengue and Malaria awareness campaign conducted by the Bengali Department (UG & PG) was a collaborative effort that successfully blended chemical intervention with informative sessions. This initiative reflects the commitment of Mugberia Gangadhar Mahavidyalaya to the well-being of its students and the surrounding community.
