→ **03. Smt. Irani Banerji Chatterjee (HOD)**

→ **04. Sri Mithu Roy**

→ **05. Sri Somnath Bhunia**

→ **06. Smt. Rita Pradhan**

→ **07. Sri Sujoy Das**

→ **08. Sri Sanatan Sasmal**

FACULTIES

The Department of Geography organised World Water Day Observation 2023 with the 3rd semester and 5th semester students. The program was held in the research lab of the college.

The program was chaired by Principal Dr. Swapan Kumar Misra and he was accompanied by the honourable speaker Dr. Mihir Kumur Pradhan and faculties of the Department. The purpose of the program was procuring knowledge about conservation method of surface and sub surface water. The program was inaugurated by the Principal by watering the plant which is a gesture to conserve and sustain life on earth, the motto of the department.

In the introductory speech, the Principal spoke of the importance of water in daily life and surrounding environment. He also highlighted the role of student to water conservation.

The HOD (Irani Banerji Chatterjee's) speech gave a detailed of historical background and significance of World Water Day Observation. In this regard, Prof Irani Banerji Chatterjee also focussed on the role of students to sustainable use of ground water.

Honourable speaker Dr. Mihir Kumar Pradhan spoke about the present relevance of water day observation. He also highlighted different anthropogenic causes and present scenario of global water crisis. He also briefly discussed about different preventive measures to combat the situation.

Total 83 students were present in the World Water Day Observation program among which 47 were girls and 36 were boys. There was a question answer session arranged where in the students can ask questions about the water crisis and future scenario to honourable speaker. Students also presented posters related to water crisis.

Prof Mithu Roy conducted the program smoothly and in his speech, he put forward the importance of such observation programs taken up by the department.

The program was a success in every way. World Water Day Observation organised by the department of Geography in collaboration with the Green Club and IIC of Mugberia Gangadhar Mahavidyalaya, dated 22.03.2023, Speaker Dr Mihir Kumar Pradhan.
