## **Industrial visit at SOBISCO, 27<sup>th</sup> September 2019**

### **REPORT:**

Department of Nutrition organized a one day Industrial visit at SOBISCO, Sawraphuli, Hoogly on 27<sup>th</sup> September 2019. Total B.Voc 1<sup>st</sup> and 2<sup>nd</sup> year, 34 students (male-19 and female-15) with 5 faculty members (Male: 03 and Female: 02) participated in this visit. Industrial visits provide the students with an opportunity to learn practically through interaction, working methods and employment practices. It gives the students an exposure to current work practices as opposed to theoretical knowledge being taught at their college classrooms. The students are very much interested and motivated by observing the food industry. They requested our department to organize that type of industry visit in every year.
