**Student Induction Program** was organized by Dept of Nutrition, Mugberia Gangadhar Mahavidyalaya on 01.08.2023 at S.N. Bose Hall. Participated 12 teachers (including Principal and Librarian), 99 students, 93 guardians.

Purpose of Student Induction Programme is to help new students adjust and feel comfortable in the new environment, inculcate in them the ethos and culture of the institution, help them build bonds with other students and faculty members, and expose them to a sense of larger purpose and self exploration.

The term induction is generally used to describe the whole process whereby the incumbents adjust to or acclimatize to their new roles and environment. In other words, it is a well planned event to educate the new entrants about the environment in a particular institution, and connect them with the people in it.

Student Induction Programme engages with the new students as soon as they come into the institution; before regular classes start. At the start of the induction, the incumbents learn about the institutional policies, processes, practices, culture and values, and their mentor groups are formed.

Students Induction could cover a number of different aspects (SAGE):

**Socializing:** meeting other new students, senior students, students union, Lectures by Eminent People;

**Associating:** visits to University / college, visits to Dept./Branch/ Programme of study & important places on campus, local area, city and so on;

**Governing:** rules and regulations, student support etc;

**Experiencing:** Subject lectures, study skills, small-group activities, physical activity, creative and performing arts, literary activities, universal human values, etc.

**List of activities to be included:**

1. Physical Activity
2. Mentoring
4. Familiarization to Dept. /Branch
5. Creative Arts and Culture
