**Mentor Mentee Cell**  
**Department of BOTANY**

Mentor- Mentee Cell (Formerly known as Tutor-Ward Cell) is founded by Mugberia Gangadhar Mahavidyalaya, Bhupatinagar, Department of Mathematics with a vision to extend support and guidance to the students studying in the college for the betterment of their academic and professional career and thereby contribute towards nation building. It is very effective system that is aimed to narrow down the gap between the mentee and the mentor and thereby the society in general. The students may come across difficulties during the degree programmes and have to face academic and adjustment challenges. To cope up with such problems and to enable them to excel in academics and profession as per their potential, a Mentor-Mentee programme for the students of the institution has been developed.

We are providing counseling to the students through personal attention and regular dialogues during their stay on campus, on telephone and by paying personal visits to the houses of the mentees allotted to the teacher concerned as the Mentor. We have been providing them tips on studies personal counseling, guidance regarding career choices, to get success in the university examinations. We have also been supporting the mentees in the form of precise content on courses, fees, reviews, college admission process and scholarships etc. The scheme has become very successful in bridging the gap between the teacher and the student. It has become instrumental in blending the harmonious relationship between the learner and his/her family and the institution at large. It has definitely created an atmosphere of conviction and faith about the alma mater. Consequently, every year the

enrolment ratio of girl-students from all sections of society has been rapidly increasing.

We aim that all students get rightly educated and take the right step towards building their career

### **Aims and Objectives:**

- To bridge the gap between the mentor and the mentee.
- To ensure the quality performance of the students in academics.
- To deal with the related issues for the holistic development of the students.
- To provide mutual support and congenial learning environment.
- To inspire and motivate for higher studies and competitive examinations.
- To discuss stress related issues.
- To regulate the academic involvement and assess the outcome.

### **Programme Details:**

- Mentees shall be assigned to the mentors right from the first year of the programme.
- A mentor shall not have more than 30 mentees at a time.
- The mentees preferably be attached to the same mentor for the entire duration of the programme.
- The mentor shall meet the mentees regularly and record the outcome of the meeting in the hard copy. The details about each mentee will be recorded and periodically updated.
- The mentor shall identify the students performing exceptionally well in curricular or co-curricular activities and report to the head of the institution/department for providing further motivation to advanced/gifted learners.
- The mentor shall also identify the students whose performance/attendance is below par. The mentor shall interact with the student and try to find out the cause of the problem or an indifferent behavior. If required the mentor will involve the parents, head of the department for reforming the student.
  - a. Attendance: The mentor shall observe and monitor the attendance of the mentee. He/she shall advise and take necessary follow up action with regard to

students who do not meet the attendance norms of the college.

- b. Academic Matters: The mentor shall also keep a track of the academic performance of mentees including continuous assessment, term and examination and help the mentee through counseling or by arranging remedial teaching, if necessary
- c. Behavioral and discipline matters.
- d. Health and physical well being.
- e. Achievements, talents and co-curricular activities.
- f. Stress related issues.

### **Duties/Responsibilities of Mentor:**

- a. Introduce and discuss the concept of mentor- mentee system with the assigned mentees.
- b. Call a meeting of all mentees and record their necessary details in the designated form, note any specific requirement of students and discuss with them the complete schedule of future meetings
- c. Keep a track of the attendance, academic performance and behavioral aspects of the students by interacting with exam department and the hostel authorities etc.
- d. Support students academically and emotionally.
- e. Contact parents to inform the progress of their ward, whenever required and visit the houses of mentees at least twice in the year.
- f. Maintain a record of the progress made by the identified underperforming students and take remedial actions wherever required.
- g. To guide students and also to arrange for remedial teaching if required.

## Duties/Responsibilities of Mentee:

- a. Attend meeting regularly
- b. Fill personal information in the form at the time of joining the mentor- mentee system.
- c. Provide details of attendance, continuous assessment, term end examination, co-curricular, extra- curricular activities to the mentor whenever asked for.
- d. Repose confidence in the mentor and seek his/her advice whenever required.
  - e. Provide all the necessary data with relevant documents ( Previous Academic Performance Records, documents for participation in extra/co curricular activities and academic advancement ).
  - f. Know what you want and ask for what you need .
  - g. Identify special goals that you want to achieve and discuss it clearly with your mentor.
  - h. Seek information regarding resources that you need from various sources.
  - i. Conduct Peer Mentoring to help your mentor.
  - j. Have a positive attitude.
  - k. Accept feedback respectfully & cordially & discuss future course of action.
  - l. Attend mentor meetings regularly & punctually.
  - m. Provide feedback and communicate healthy developments in you.

## Characteristics of a good Student Mentor:

- A good student mentor is someone who engages in a positive relationship with the student and gives them attention.
- The mentor needs to have positive self-esteem, react well to stressful situations and tolerate frustrating situations.
- They need to listen well and communicate on a level that the student can understand and not be judgmental.
- The mentor needs to provide leadership and guidance and be a positive role model, nurturing a relationship that respects the student's dignity.
- The mentor must always show up on time for sessions, be committed and accept their responsibilities.
- A good mentor will reinforce the student's successes and challenge them to do better and be willing to give them a fresh start if there are any lapses.
- They will not break the trust they have established.

## **Benefits of a Student Mentoring Programme:**

- Students benefit by receiving the support and guidance of a caring adult or supportive peer and also receiving assistance with their academic studies.
- Students will experience greater self-esteem and be motivated to succeed.
- They will also receive encouragement to stay in education and progress to further and/or higher education and receive assistance in choosing a career path.
- The Mentees will be encouraged to avoid the use of drugs and alcohol.
- Student will also improve interpersonal relationships, such as with Institute, the teaching staff and the student's family.

## **Benefits to Peer Mentors:**

- Adults who volunteer to mentor students increase their involvement in the learning community and recognize they can make a difference.
- They will gain new experience and knowledge about young people and the Institute community and contribute to the wider aims of community cohesion and regeneration .

## **Benefits to the Mathematics Department:**

- Having a student mentoring scheme helps to foster good community relations and contributes to the local and area targets for economic growth.
- Students will be more motivated and inspirational which will improve morale amongst the learning community.
- Mentoring will maximize the achievements of individual students and groups of students who are at risk of underperforming and remove barriers to achievement for vulnerable groups of students.
