Some glimpses of today's event

Detailed Report on Teachers' Day Celebrations

Teachers' Day in India is celebrated on 5th September to commemorate the birth anniversary of Dr. Sarvepalli Radhakrishnan. He was a renowned scholar, recipient of Bharat Ratna, first Vice-President, and second President of independent India. He was born on 5 September 1888.

Early Preparations

Preparation for the event started a week prior under the aegis of the student organizing committee with support from college administrators. The whole event hall was adorned with flowers, multi-coloured

banners, balloons, messages of gratitude for the teachers, and paintings by the students, which gave a look of jubilation and festivity.

Major Highlights of the Day

The day's activities commenced with a warm welcome speech by the principal, acknowledging the teachers' hard work, patience, and dedication. This led to an atmosphere of respect and admiration.

Following this, students presented various cultural programmes, exhibiting their talents and skills. The programs included energetic dance performances, soulful songs, poems, and speeches dedicated to highlighting the teachers' selfless contribution, which got many rounds of applause from the audience.

Teachers' Participation

An unexpected and joyous part of the day was when the teachers too participated in talent competitions organized by the students. They displayed an array of talents from singing, dancing to enacting short skits, and this was greeted with laughter and applause from the students, bridging the gap between teachers and students, and making the day even more meaningful.

Presentation of Gifts

Students presented tokens of appreciation and gifts to their teachers as a humble gesture of gratitude for their unwavering guidance. Handwritten thank you cards prepared by students were given to teachers, which added a personal touch to the celebration.

Conclusion of Event

The event concluded with a thank-you note by the student of PG 3rd Sem., expressing his gratitude towards the teachers and the students for making the day memorable. He emphasized the role of teachers as mentors and facilitators in shaping the students' lives.

Final Remarks

Teachers' Day celebration at Mathematics Department, Mugberia Gangadhar Mahavidyalaya was a testament to the profound respect and admiration that students bear for their teachers. The day marked a joyous and warm celebration, strengthening the bond between teachers and students and providing an opportunity to express heartfelt appreciation for teachers' dedication and hard work.

Detailed Report on Fresher Welcome

Every student eagerly awaits right from their time of admission for their most remarkable event of the college "FRESHER'S PARTY". The 17th of October 2023 was as a memorable day in the life of every fresher of academic year 2023-2024 batch at Mathematics Department, Mugberia Gangadhar Mahavidyalaya. The fresher's day was filled with excitement, joy, music, enthusiasm, laughter and happiness. It is a way to make them feel comfortable in the new environment.

It is the day where seniors and juniors finally bond and unite to celebrate being part of the college. Students were welcomed with the so much of enthusiasm which was organized by UG 3rd, UG 5th and PG 3rd Semester students. Light is considered as very sacred and a symbol of prosperity, in the same way as sunlight not only dispels the darkness of night, it brings blessings and happiness into our lives. The inauguration of event started by kindling the lamp along with the blessings of goddess Saraswati by our dignitaries: Dr. Swapan Kumar Mishra, Dr. Kalipada Maity, Dr. Prasenjit Ghosh, Dr. Pintu Roy Chowdhury, and all others departmental teachers.

Fresher welcome year is a lot of fun, and it's also a great time to get to know your seniors. You have more opportunities to bond with your peers outside of class and learn more about them. Fresher's are a terrific way to have fun and let off steam during your first few weeks of college. It's a way to get out and meet new people. It's a method of stepping outside of your comfort zone.
