One Day Community Outreach Programme

Subject: Benefit of Indian Food

Date: 13/03/2024

Time: 11am to 2pm

Venue: Mugberia Rural Area

ORGANISING COMMITTEE:

1. Dr. Swapan Kumar Mishra, Principal
2. Dr. Pintu Roy Chaudhary, Course coordinator
3. Prabhat Kumar Sharma, HOD

OBJECTIVE:

We organized one day community outreach programme on Benefit of Indian Food Behalf of Tourism & Hotel Management Department in Rural Area of Mugberia, Bhupati Nagar. Students tried to explain about benefit of Indian food. Our Indian food is full of minerals, vitamins and energy. People also supported to the students in this community outreach programme. Students went door to door in Rural Area of bhupatinagar and interacted with people to take Indian foods in their daily meal Routine.

OUTCOMES:

This was the community outreach programme to aware the people of rural area about benefit of Indian food. Students knew that how to operate such a community outreach programme that will help them in their future. Students explored their ideas on this subject among the villagers. They also gathered the opinion of people about the subject. This programme really helped the students to exchange their ideas with people on any subject.

We wish all the success for the students who had participated in this programme.
