“EDUCATIONAL EXCURSION TAJPUR” (10.12.2024)

REPORT:

Educational Excursion is very important part of education system and as per my understanding all students are waiting eagerly for the day of educational excursion. Department of Nutrition, Mugberia Gangadhar Mahavidyalaya had organized an educational excursion program at Tajpur, Ramnagar II Block, Purba Medinipur, West Bengal, pin: 721656 on 10.12.2024.

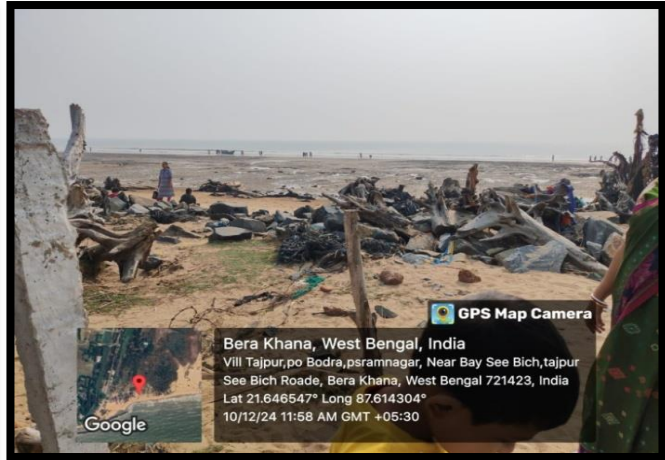

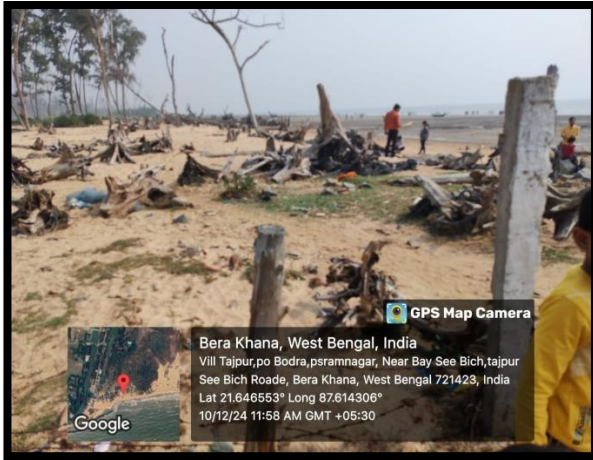

Total 204 students of B.Sc 1sem, B.Sc 2nd sem, B.Sc 5th sem (50) B.Voc 1st year, B.Voc 2nd year, B.Voc 3rd year (105), M.Voc 1st sem, M.Voc 3rd sem (49), with 07 faculty members (Male-4, Female-3), 2 lab attendant had participated in this excursion. Educational excursion can also provide students with the opportunity to develop important skills such as independence, problem-solving, and teamwork. Educational tours help students boost confidence through exposure to new experiences, challenges, and responsibilities outside their familiar environment. They are a part of group activities, presentations, and interactions with different people. It helps to develop public speaking and communication skills in students. The Programmed was very much successful.
