Notice

The Department of Geography, in collaboration with the IQAC, is organizing a **Cultural Program** to mark **Earth Day 2024**. The event will focus on the theme "**Planet vs. Plastics**", highlighting the importance of environmental protection and sustainability.

Details of the Event:

- **Date:** 22nd April 2024
- **Time:** 11:00 AM
- **Venue:** Department of Geography

The program will include a variety of activities such as **skits, songs, poster presentations, and speeches** to spread awareness about the harmful effects of plastic pollution and the need for sustainable living practices.

Students from all departments are invited to participate or attend the program. Those interested in performing or presenting are requested to contact the undersigned by **20th April 2024**.

Let us join hands to protect our planet and contribute to a sustainable future!

Cultural Program on Earth Day 2024

The Department of Geography, in collaboration with IQAC, organized a cultural program on **22nd April 2024** to celebrate **Earth Day** with the theme "**Planet vs. Plastics**". The event aimed to raise awareness about the pressing issue of plastic pollution and encourage sustainable practices for environmental protection.

The program commenced with an inspiring speech by the Principal, emphasizing the need for collective efforts to combat plastic pollution. Students from various departments actively participated in diverse activities, including **thematic skits, melodious songs, impactful speeches, and visually striking poster presentations.**

A highlight of the event was a skit portraying the detrimental impact of plastic on marine ecosystems, which received widespread applause from the audience. The poster exhibition displayed creative and thought-provoking artworks advocating for reduced plastic use and promoting eco-friendly alternatives.

The event was attended by faculty members, staff, and a large number of students, reflecting the college community's commitment to environmental causes. The Head of the Geography Department expressed gratitude to the participants and IQAC for their support in making the program a success.

The program concluded with a pledge by all attendees to reduce plastic usage and take actionable steps toward a sustainable future.
