## **5.3.2 - Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms )**

### **Facilitation of Students' Representation and Engagement**

The institution is committed to fostering a participatory culture that empowers students through representation and active engagement in administrative, co-curricular, and extracurricular activities. A structured and inclusive approach is followed to ensure that students' voices are heard and valued in decision-making processes.

Student councils, elected democratically, play a pivotal role in representing the student body and liaising with administration on issues related to academics, campus facilities, and student welfare. Additionally, student representatives are included in various institutional committees, such as the IQAC, anti-ragging committees, grievance redressal cells, and cultural clubs, ensuring their involvement in governance and policy formulation.

Co-curricular and extracurricular platforms such as cultural fests, sports events, and innovation-driven clubs are led by student leaders who are mentored by faculty. These initiatives encourage leadership, teamwork, and organizational skills. Moreover, the institution conducts regular orientation programs and workshops to train student leaders, equipping them with effective communication and management skills.

The emphasis on student representation nurtures a sense of belonging, accountability, and collaboration, aligning with democratic and participatory ideals. This holistic approach not only supports personal growth but also strengthens institutional governance and vibrancy, making students stakeholders in the institution's success.
